Secret *Art Inspiring Hope*
23rd Annual Gala Garden

Unlock the magic and mystique that lie just beyond the rustic, vine-draped walls of the Secret Garden to experience the enchanting beauty only the passionately curious and lucky few have seen before. Follow the moonlit path, distant giggles, and whimsical whispers to catch a glimpse of the illustrious wood nymphs and fairies. The Secret Garden is a magical destination made of sweet dreams and suspended belief, transporting us to the hidden depths of our wildest imagination. But enter at your own risk; who knows what mysteries lurk inside.

Benefiting Okizu, which provides peer support, respite, mentoring, and recreational programs to meet the needs of all members of families affected by childhood cancer.
