## 109 **SAUSALITO MARINA, 1985** **BY MARCO SASSONE**

Original silkscreen, 26" x 36"

Sold out edition of 250, plus 18 artist's proofs

Sassone's works are rich in coloration and not according to what's fashionable at the time in the art world; what he calls a realist expressionist. He is a gestural painter, an artist who becomes totally absorbed in the act of painting. For him, it is the freedom of execution that is more important than being categorized in any particular style or mode. Nevertheless, no artist exists in a vacuum, and his work is clearly the result of multiple influences combined with his own particular perspectives.

Sausalito Marina is part of the "Houseboats Series" produced by the artist during the 1980s in Marin County. The series includes numerous landscapes and marinas throughout the Bay Area.

*Thank you Marco Sassone.*

## 112 AMERICAN HEARTLAND BY DONNA ALDRIDGE

Original oil on canvas, 56" x 42"

Donna Aldridge is an international award-winning painter with works in galleries and private and corporate collections in twenty five countries. She is well known for her broad, spacious landscapes and luscious still-lives, and continues to enjoy painting the figure and portrait.

Color — in fascinating relationships — excites her most, played out on the foundation of an elegantly-engineered composition with dynamic movement and balances which lead the viewer on a journey through each piece. A strong sense of light and shadow or atmosphere as well as richly-applied pigment are additional hallmarks of Aldridge's award-winning paintings.
