105 BARRELY BELIEVABLE

Once-in-a-Lifetime Custom Wine Experience

You won't believe this opportunity to participate in the production of your own barrel (yes barrel!) of wine. The Wine Foundry makes custom wines from the most sought after vineyards in Napa, Sonoma, and Santa Barbara. While the wine is aging in barrel, you will work with an international award-winning designer to craft your own label and final packaging for the wine including bottle type, branded cork, and capsule color.

During the final blending session, you will sit at the blending table with The Wine Foundry's award-winning Director of Winemaking, Patrick Saboe, to compose your final blend to your preference and create the lasting impact on your own wine. The result is knowledge, fun, incredible wine that will cellar for years, and access to see behind the curtain of how the highest level of wine is made.

The barrel will be the highly coveted 2016 Super Tuscan blend of Merlot and Sangiovese, which will be ready to blend and bottle this summer. This specific barrel will come from The Wine Foundry's 'Foundry Wines,' a high-end brand that will retail for more than \$140 a bottle when released. The grapes used to create this wine are from two vineyards, Stagecoach Vineyard Merlot (one of the most sought after vineyards in America) and the Sangiovese, from Unti Vineyard in Dry Creek Valley, a highly regarded grower and producer of Italian varietals.

This once in a lifetime experience consists of:

- Barrel (25 cases/300 bottles) of the Super Tuscan wine
- Label design
- Bottle selection

- Custom cork design and printing of the custom cork for your wine "brand"
- The day of the blending session includes a guided vineyard tour by Director of Winemaking, Patrick Saboe. This is a hands on exploration and class; not only the HOW, but the WHY
- Visit to Stagecoach Vineyard which includes a picnic lunch in the vineyard curated from local Napa eateries, paired with award winning wines for up to eight guests
- Blending session at the winery to do a final blend on the wine with Patrick Saboe
- A case of The Wine Foundry's 2015 Super Tuscan wine to take home tonight

Thank you Steve Ryan and The Wine Foundry.
