EVENT OVERVIEW

WHAT

Every year, Okizu holds a fundraiser entitled, **“Art Inspiring Hope: A Child’s Struggle with Cancer.”** AIH began on a very small scale in 1995 and has grown into an extravagant gala drawing about 500 guests. This event grosses more than \$850,000 in an evening, which helps make it possible for more than 3,000 people to attend the Okizu programs each year. Okizu offers programming for children with cancer and their families at no charge.

The annual black-tie evening with a different, elaborate theme each year, features gourmet food, specialty drinks, silent and live auctions, and headline entertainment. Past performers have included Huey Lewis & The News, Sheryl Crow, The Robert Cray Band, The Doobie Brothers, The Dave Mason Band, and Smash Mouth.

ABOUT OKIZU

OKIZU (oak-eye-zoo) comes from the Sioux language and means unity, to come together, to heal from a hurt, to make whole.

OUR MISSION STATEMENT

The mission of Okizu is to help all members of families affected by childhood cancer to heal through peer support, respite, mentoring, and recreational programs.

Okizu camping programs are the result of a collaborative effort by Okizu and the pediatric oncology treatment programs of Northern California.

THE OKIZU SPIRIT

Okizu offers the unique opportunity for children with cancer and their siblings to learn independence, develop self-esteem, and gain skills they never thought possible. At camp, kids are just kids, and they can feel comfortable being themselves in a safe, trusted environment. It is a place for fun, the building of lasting friendships, and the development of self-confidence.

ONCOLOGY CAMP

Children who are diagnosed with cancer often miss out on the joys of a normal childhood. Their illnesses, the time consumed by treatments, their physical limitations, and concerns about how they are perceived by their peers, keep them from enjoying activities that other kids take for granted. Yet these children, like all children, need the opportunity to grow, explore, discover who they are, and just have fun. Camp Okizu

nurtures their development in a setting where there is no need for them to feel self-conscious.

SIBLINGS CAMP

Recognizing that childhood cancer affects the entire family, Okizu also provides a camp for the siblings of children with cancer. Okizu's SIBS (Special

and Important Brothers and Sisters) Camp meets the often-neglected needs of healthy children when all energies are understandably focused on the sick child's treatment.

One of only a few such camps in the United States, SIBS Camp allows these kids to feel valued, and gives them the opportunity to learn they are not the only ones coping with the conflicting and difficult emotions that accompany having a sibling with cancer. While at camp, the children are in a trusted environment where they can share their feelings and gain support from other campers and the staff.

FAMILY CAMP

Okizu's Family Camp is designed to give the whole family a few days of worry-free fun, play, and relaxation. It is an opportunity to "get away" with others who share common experiences. Many families consider these weekends to be the highlight of their year, when new and lasting friendships are made.

EVENT HIGHLIGHTS

The themed evening begins with a reception featuring gourmet hors d'oeuvres, specialty beverages, an extensive array of silent auction items varied enough to suit every taste, and a raffle that's a ton of fun.

Guests are then escorted to the dining pavilion for a seated dining experience, presentations, and a rousing live auction.

Energized by the fast paced auction, and fortified by fine food and drink, guests are ready to express themselves on the dance floor, to the tunes of top-notch entertainers.
