About Okizu

For almost 40 years, Okizu has been supporting Northern California families coping with childhood cancer. The mission of Okizu is to help all members of families affected by childhood cancer to heal through peer support, respite, mentoring, and recreational programs. Camp Okizu was significantly impacted by the Bear Fire/North Complex Fire in September, and the damage was heartbreaking.

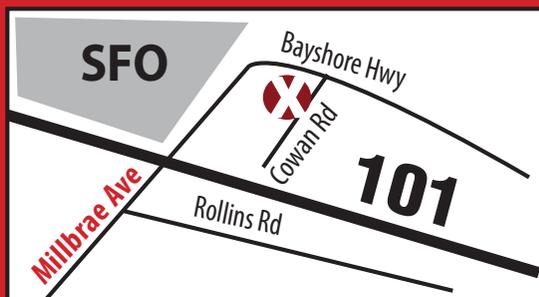

Together we can truly make a difference. To learn more, go to www.okizu.com

New England Lobster will donate 10% of the proceeds for every Okizu roll sold in the month of November to Okizu.
